Subject: 2009 Work Plan (including Water Treatment Plan)

Hi team. Attached is the 2009 Work Plan which was required under the Order. The "Water Treatment Plan" is addressed on pages 12 – 18. I had to leave one map and one spread sheet out due to their oversize. Let me know if you have any questions. . . I explained the importance of receiving the amended "Water Treatment Plan" ASAP to Andrew Hartten during this morning's call. He said he'd do everything within his authority to do so.
